

Exercise

Simulated Shooting

3117 W North Ave

9/07/2016 13:17:07

CFS# 1625114XX

Incident # 16I029XX

Exercise Scenario 3

Investigation Summary

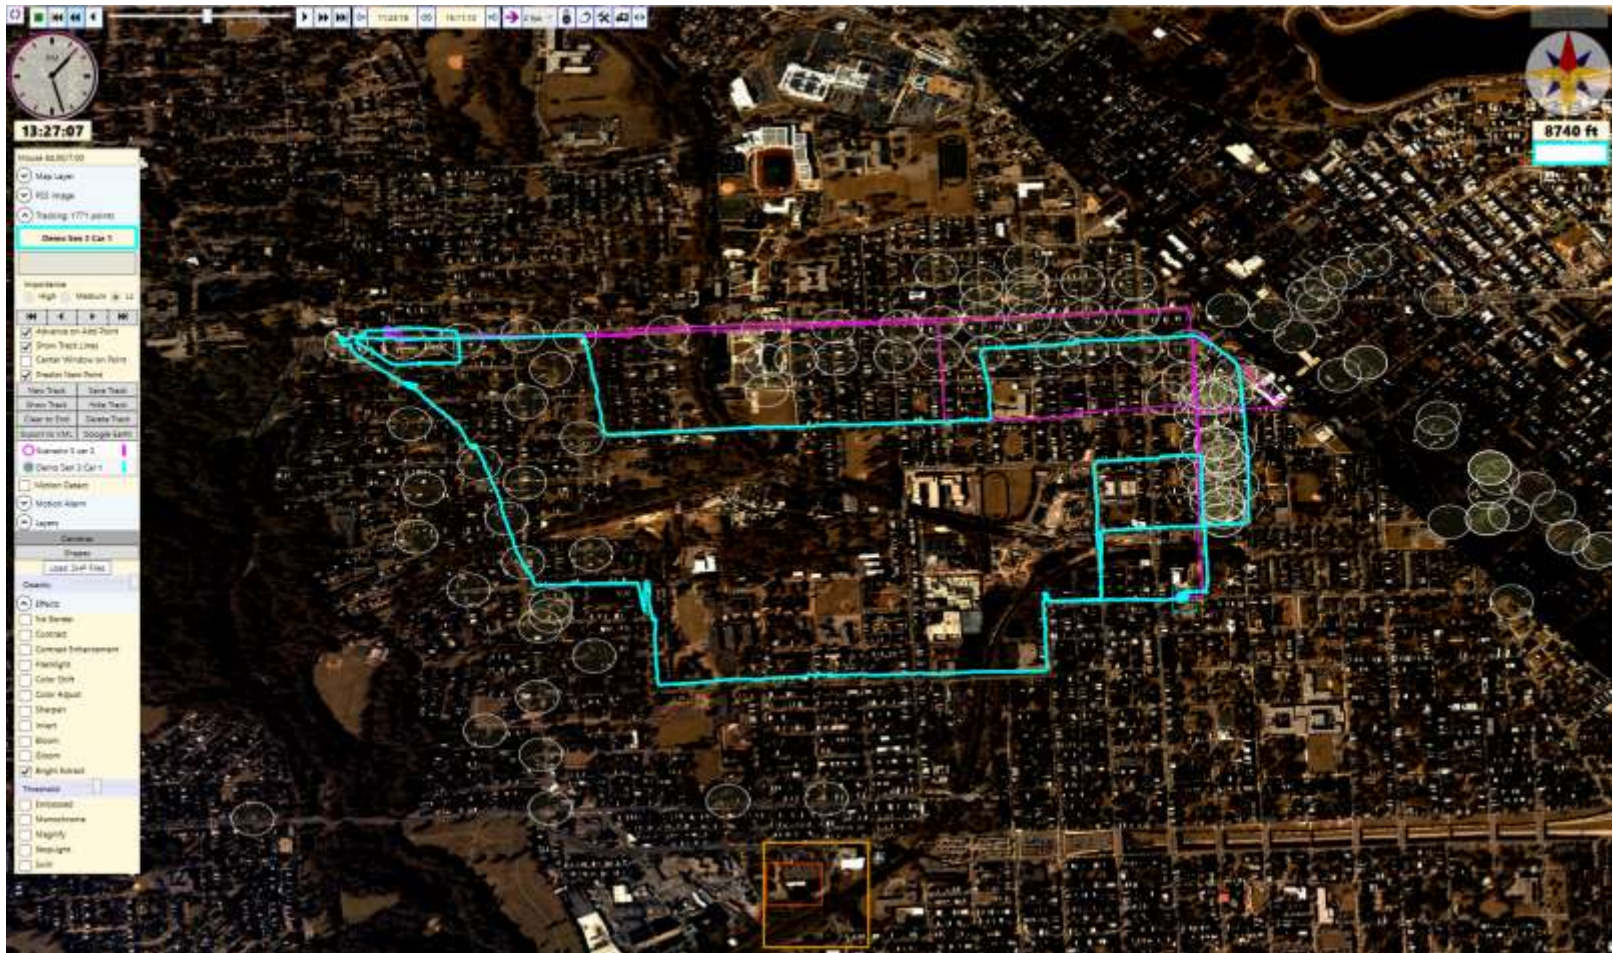

- A CFS report indicated a shooting along the 3100 block of W North Ave.
- Analysts identified several cars that were near the location at the time of the incident.
- Two cars were identified based on witness reports of vehicles involved.
- Suspect Vehicle 1 appears to be a white Ford Excursion. Suspect Vehicle 2 appears to be a grey 2012 Ford Focus.
- Both cars were observed to and from the Riggs Ave Address both before and after the simulated shooting.
- Car 1 stops at the Payson location for 30 seconds to retrieve something from the woods.
- Ground cameras were used to identify and verify routes.
